Greetings Arts and Crafts Friends,

The 22<sup>nd</sup> annual St. Patrick's Day Festival and Parade will be held on Main Street, Saturday, March 13, 2010. This one day rain or shine event brings approximately 25,000 to celebrate being Irish and welcome the coming of spring. The parade begins at 9:00 am, followed by live music on two stages and a children's area with rides and amusements from 11:00 am until 4:00 pm. Along Main Street, approximately 60 to 75 crafters will display their crafts and food vendors will serve a variety of foods.

**Booth Space.** Each 12' x 12' vendor space must be decorated to compliment the Irish theme. A limited amount of similar craft vendors will be allowed. Limited professional business spaces will be available (i.e. doctors, banks, distributors and vendors who do not make their own products). Include a picture with exposure of your booth and the crafts you will be selling. This is for placement purposes. Photos will be returned when you pick up your vendor information packet.

**Booth Setup/Breakdown.** Please note that spaces will be available for setup Saturday morning beginning at 6:00 am and vendors must be ready by 9:00 am. All vehicles are required to be out of the festival area by 8:30 am. You will be responsible for all booth setup, tear down, supplies, tables, workers, etc. Breakdown will begin promptly at 4:00 pm, no earlier; with the street cleared by 5:30 pm. Each vendor is expected to leave their area free of trash and waste.

**Vendor License.** Please note there is a mandatory City of NMB Vendor License fee of \$40 for each vendor that may not have one. You may complete and mail-in the enclosed Vendor License Agreement Application if needed. Please mail a separate check for \$40 made payable to the City of North Myrtle Beach.

For additional information please contact the North Myrtle Beach Parks and Recreation Department at (843) 280-5570 or [stpatnmb@nmb.us](mailto:stpatnmb@nmb.us).

We look forward to working with you!

*"We create community through people, parks and programs."*
